

## Privacy Policy - Registration for the mdoc Interoperability Tests (France 2026)

As part of the 13th International Interoperability Test Event, dedicated to testing implementations of ISO/IEC 18013-5 and ISO/IEC 18013-7, held from 27 to 29 May 2026 in La Ciotat, France, personal data concerning you is collected and processed by the Agence nationale des titres sécurisés (ANTS, France Titres), acting as data controller.

This data is collected when you register on the website dedicated to the event.

### Purpose of the processing

The personal data collected is processed solely for the following purposes:

- to manage participant registration for the interoperability tests;
- to verify the identity of registered participants;
- to organize and secure access to the event;
- to enable the execution of technical interoperability tests between different mdoc implementations in accordance with ISO/IEC 18013-5 and ISO/IEC 18013-7 standards.

Interoperability tests are, by default, carried out using aggregated or fictitious data.

Should participants use personal data during testing, ANTS will not retain any such data after the end of the experimentation.

### Legal basis

In accordance with Article 6(1)(a) of Regulation (EU) 2016/679 (GDPR), the processing is based on your consent, provided at the time of registration.

### Data processed

The data collected is strictly limited to what is necessary for registration and identification of participants, namely:

- first name;
- last name;
- email address;
- password (stored in a secure form);
- registration-related data (date and time of registration, technical logs).

### Recipients of the data

The data is accessible only to authorized personnel of ANTS, strictly for the purposes of organizing and managing the event.

Personal data may also be processed, on behalf of ANTS, by the following data processor responsible for operating the registration platform:

**A4Advisory BV**  
Maresingel 67  
2316 HE Leiden  
The Netherlands

This processor acts solely on behalf of ANTS and is bound by contractual obligations ensuring the confidentiality and security of personal data, in accordance with Article 28 of the GDPR.

No personal data is disclosed to third parties other than the data processor acting on behalf of ANTS.

#### **Retention period**

Personal data is retained only for the time strictly necessary to organize and conduct the tests. All personal data is deleted at the end of the experimentation.

No personal data is retained beyond this period.

#### **Data security**

ANTS implements appropriate technical and organizational measures to ensure the security and confidentiality of personal data.

#### **Your rights**

You have the right to be informed about the processing of your personal data. In this respect, you may request any additional information regarding how your data is processed in the context of this event.

You also have the right to access, rectify, and erase your personal data, as well as the right to withdraw your consent at any time.

Requests for access, rectification or erasure will be processed in accordance with applicable data protection laws. However, due to the limited retention period and the deletion of data at the end of the experimentation, some requests may not be technically feasible.

To exercise your rights or for any question regarding the processing of your personal data, you may contact ANTS at the following address: [info@mdoc.online](mailto:info@mdoc.online)

Requests are processed on behalf of ANTS by its data processor, A4Advisory BV, which operates the registration platform.

You also have the right to lodge a complaint with the French Data Protection Authority (CNIL):
